White Fathers Mission Appeal – 15/16th November

A second collection will be taken on the above weekend for the above appeal. "The Missionaries of Africa", aka The White Fathers, are an international team of priests, brothers and lay associates from Africa, Britain and many countries around the world. Any ministry which has a real relationship with Africa, no matter in what part of the world it may be, is considered by the Missionaries of Africa to be within the scope of the apostolate. Through parish work, building up small Christian communities, working with the media, involvement with justice and peace, agriculture, seminary training, education and social welfare the Missionaries of Africa aim to work in partnership with the Church in Africa ... and above all else to help build up the leadership of the Churches.

Thanks to the heroic efforts of missionaries working in Africa since 1868, the increase in the number of African Christians is vastly outpacing the supply of African priests, brothers and co-operators required to attend to the spiritual needs of these peoples. Many parishes in Africa are understaffed, simply because there is nobody to send there. At the same time, within the Dioceses in Africa, there are vast areas where the fulfilment of the Church's commission to the world has still to be initiated or consolidated. It is especially here that the Missionaries of Africa see their task today.
