NOVEMBER DEAD LISTS

During November, Masses are said for specific intentions (where applicable) and for the Holy Souls, in particular for those named in the November Dead Lists, which are placed on the altar. **Special envelopes are available at the back of both churches, in which you may insert the list of names for commemoration of your departed family and friends**. Any donations received will go to a **CRISIS APPEAL** to **give children in northern Uganda the chance to go to school**. The **INTERNATIONAL REFUGEE TRUST** (IRT) tells us: only 1 in 3 children (there) are finishing Primary School! It is an **invisible crisis**, affecting many **thousands of children**. We must do all we can to reach out to these children and help them get the education that will **make a crucial difference to their lives**.
The problem is that while the international community worked hard to rebuild schools destroyed in the conflict with the Lord's Resistance Army (LRA), **parents lack the resources** and money to send their children to school. As a result, many are forced to abandon their education at a very early age. Their **lack of rudimentary reading, writing and maths skills** blights them for the rest of their lives.
With **our support**, we can **help these forgotten children** in northern Uganda to receive the education they so badly need as the first step towards lifting themselves and their families **out of poverty**.

CONFERENCE – WEDNESDAY 16TH NOVEMBER

'Death and dying: Exploring Christian perspectives', Cardiff University (Temple of Peace and Health), **9.15-16.45.** This conference aims to support health care practitioners, individuals, families, communities and organisations **learn about and engage with** contemporary **debates around death and dying and faith**. It seeks to connect **Christian perspectives** and **current legal and medical frameworks** to explore the complexities around decisions to accept or refuse life prolonging treatments under different circumstances both, for ourselves and for others. The conference also includes a panel exploring the **social**, **ethical** and **theological debates** about active 'assisted dying'. Please register by **Friday 11th Nov**.
