

The Parish Census is coming!

The standard elapsed time for a Census is a decade and our last parish census was well over a decade ago (2002 in fact). Census forms will be distributed via the Parish Gazette at Mass and you will be asked to complete a simple form before you leave the church and place it in the census box provided. It will only take a minute. If you wish to take the census forms away with you and bring them back the following Sunday you may do so.

This is a very important parish project and it is vital that we have an up-to-date database of parishioners from both communities. The information provided is for PARISH use only.

'Dimensions' on one side and 'Keep it personal' on the other side. The keys are being kept in the Presbytery awaiting a claim by their owner..

OUR TWO CHURCH HALLS: We are always pleased to see our church halls being used by parish groups and a small number of other outside groups. Cleanliness is of course always a major issue as we have to conform to Environmental Health standards at all times. We thank all those who use our halls for their continued cooperation.

The rule is: Please leave the hall as you find it.
