### CAFOD's "Fix the Food System" Campaign

Our global food system was broken even before the recent disasters of war in Ukraine and the worst drought in East Africa in 40 years. Priority has been given to growing a small number of staple crops for export; agricultural land in low-income countries is used for growing crops profitable on the global market but a high use of fertilisers has degraded the land. Reliance on imported food makes people vulnerable to shocks such as drought, conflict or global price hikes. Climate change is making survival much harder for small communities with whom CAFOD works.

In the words of Pope Francis: "We need a new mind-set and a new holistic approach...and food systems that protect the Earth and keep the dignity of the human person at the centre, that guarantee sufficient food globally and promote decent work locally and that feed the world today without compromising her future."

Enough food is produced in the world to feed everyone yet around 800 million go hungry each day. St John Paul II called this "the paradox of abundance". Food injustice is affecting the UK too where every town now has its foodbank. Read more about this at [cafod.org.uk/food](http://cafod.org.uk/food). **There will be CAFOD action cards for you to sign available after masses on the weekend of 10<sup>th</sup>/11<sup>th</sup> Sept.** They call on the Foreign Secretary to implement the Government's COP 26 commitments and support agricultural systems that tackle climate change and put local communities first. Or go online to take action at [Cafod.org.uk/fixfood](http://Cafod.org.uk/fixfood)

### CONFIRMATION 2023

As the catechists start to plan the programme for the next school year, they ask for anyone whose child is in Year 8+, aged 12 or above to contact them for an enrolment form. Ask the Welcomers at Sunday Mass or email Nicky Price [stjstmconfirmation@gmail.com](mailto:stjstmconfirmation@gmail.com)

### THINKING OF OUR STUDENTS

This past week our students received their results, and we trust that they got the results that they worked hard for. We wish them well in the next stage of their journey in whatever field they have chosen.

**DID YOU KNOW?** CAFOD is the official overseas aid agency of the Catholic Church in England and Wales. We work with some of the most hard-to-reach communities around the world and those living in the hardest of circumstances. We believe in tackling the root cause of poverty and this is why we ask our supporters to take part in our campaigns which address poverty and injustice head-on. We encourage people to sign petitions, meet their MPs and contact big businesses etc. Together we've witnessed some historic breakthroughs such as debt relief for struggling Countries, action by government on climate change and large companies signing up to ethical agreements. Thank you for joining us in this work. Do have a look at our current campaign which is about food [cafod.org.uk/food](http://cafod.org.uk/food) and help make the world a better place.
