Care of Creation – Pope Francis also speaks out on the environment:

Pope Francis has asked us to pray especially for the 'Care of Creation' on **1st September**, together with the Eastern Orthodox Church. The following prayer helps to focus our minds and hearts and can be found in his latest encyclical

Laudato Si: -

"All powerful God, you are present in the whole universe and in the smallest of your creatures. You embrace with tenderness all that exists. Pour out upon us the power of your love, that we may protect life and beauty. Fill us with peace that we may live together as brothers and sisters harming no one. O God, help us to rescue the abandoned and forgotten of this earth, so precious in your eyes. Bring healing to our lives that we may protect the world, not prey on it, that we may sow beauty, not pollution and destruction". Amen
